A representative of the U.S. Department of State / Directorate of Defense Trade Controls (DDTC) will be presenting information on becoming ITAR registered. The mission of the DDTC as stated on their website is as follows:

The U.S. Government views the sale, export, and re-transfer of defense articles and defense services as an integral part of safeguarding U.S. national security and furthering U.S. foreign policy objectives. The Directorate of Defense Trade Controls (DDTC), in accordance with 22 U.S.C. 2778-2780 of the Arms Export Control Act (AECA) and the International Traffic in Arms Regulations (ITAR) (22 CFR Parts 120-130), is charged with controlling the export and temporary import of defense articles and defense services covered by the United States Munitions List (USML).

Topics to be included:

- Defense Export Controls
- Rationale for Regulating Defense Exports
- Compliance Mechanisms
- D-Trade: Conducting Your Defense Business Electronically
- U.S. Government Regulatory Measures

Also, Mr. Kevin Lasser from Encryption Security Services will be presenting information on ITAR compliance, including document security.
