Featured Speaker: Genevieve Hayes

Division Director, Policy and Training Division, State of Michigan Procurement
Michigan Department of Management and Budget (DTMB)

Join State of Michigan Procurement for a quick overview on how to bid on state contracts and learn what it takes to become a state vendor. We'll also share details of our new Michigan Supplier Community program that expands business opportunities for low-income communities and underutilized business areas.

This coffee and contracting event will help you get answers on how things work
directly from the State's procurement staff!
