Featured Speaker: Scott Vincent, United States Army Corps of Engineers

JOIN US for Coffee & Contracting with Scott "Scotty" Vincent the new Small Business Deputy for the United States Army Corps of Engineers Detroit and Chicago Districts. His geographic area of interest includes projects throughout the state of Michigan, northern Indiana, Chicagoland, the Lake Michigan watershed in Wisconsin, and Duluth, MN.

Scotty has been charged by USACE Detroit/Chicago to build a diverse and capable network of small business mission partners in order to ensure their participation is maximized in the Districts' forecasted, and on-demand, projects. Scotty is specifically looking for firms that perform construction (vertical and horizontal) and related support services, waterway maintenance/dredging, A-E services, Environmental Services, Harbor/Lock maintenance, Sewer construction/maintenance, and natural disaster relief operations.

This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency. Southwest Michigan PTAC, satellite of Northeast Michigan Consortium (NEMC), is funded in part by Michigan Economic Development Corporation (MEDC). The reproduction, reformatting, and/or distribution of PTAC materials in part or in whole, in addition to the reselling of PTAC services, is strictly prohibited.
